ELIGIBILITY

» The Totally Hayward® Rewards Program is open only to authorized Hayward® customers who are based in the United States and have been enrolled in the Totally Hayward Partner Program by their Hayward Sales Representative. Hayward's advertising, promotional or fulfillment agencies, as well as members of their immediate families, are not eligible. This offer is void where prohibited or restricted by law. All federal, state and local laws and regulations apply.

» To be eligible for the Totally Hayward Rewards Program, you must purchase each calendar year a minimum of 3 Hayward Expert Line® in-ground products from 3 product lines, two of which must be a Hayward pump and filter. The third product must be a Hayward heater, heat pump, cleaner, sanitization system or control. Lighting and T-CELL purchases do not count toward program eligibility.

PARTNER AND ADVANTAGE STATUS

» A minimum of 30 Hayward eligible units in a calendar year are required to establish Totally Hayward Partner status. Once a Partner buys 100 eligible units in a calendar year, they earn Advantage status. Once attained, the new Advantage point values apply RETROACTIVELY to the first unit purchased in the same calendar year.

PROGRAM PERIOD

» Points earned in this program may be redeemed as soon and as often as you like once minimum requirements have been met. Points earned in the 2024 calendar year must be reported by March 31, 2025, but can be redeemed until March 31, 2026. Hayward reserves the right to withdraw the program with a 90-day prior notice to partners, who will then have 90 days to redeem their points.

POINTS REPORTING

» Your sales activity will be submitted to Hayward Rewards Headquarters electronically, on a monthly basis, by your participating authorized Hayward distributor(s).

BONUS POINTS

» Totally Hayward Bonus Points can be earned when a Totally Hayward Partner or Advantage member purchases at least one eligible Hayward product from four (4), five (5) or seven (7) Totally Hayward product categories: pump, filter, heat, cleaner, sanitization, control and LED lights during a calendar year. This bonus will be calculated based on the highest common quantity of Totally Hayward products purchased.

» Bonus Points are awarded after member purchase history for the entire program year is received from distribution.

HOW TO REDEEM REWARDS
